EXERCISE BICYCLE VIRTUAL REALITY STEERING APPARATUS

Element Designation

(For convenience of the Examiner, not part of the specification)

20	steering mechanism
22	steering mechanism primary frame
24	steering tube
26	steering plate
28	frame head (of 30)
30	exercise bicycle
32	potentiometer
34	adjusting lever (on 32)
36	L-shaped frame adapter
38	mounting holes (in 36)
40	fasteners in bicycle frame head (28)
42	machine screws and locknuts (attach 32 to 26)
44	3 conductor cable
46	threaded holes (in 26 for controller mounting bracket)
48	mounting bracket (for 50)
50	controller
52	radial slot
54	spring retainers
56	groove (in 54)
58	steer frame
60	spring
62	steer member
64	potentiometer lever bracket
66	head set
68	handlebar stem
70	handlebar
72	guide pin
74	reinforcing yoke
76	reinforcing plate
78	spring holders
80	potentiometer lever slot
82	potentiometer arm bushing
84	cover
